Welcomes and farewells

A huge welcome to all the new families using our service. We hope everyone has settled in well and please remember if at any time you have any questions or queries do not hesitate to ask.

Staff on Leave

Kate, Angela, Carolyn and Tahnee are or will enjoy some time off over the next few weeks.

Cubs News

Hello from the Cubs room.

With the lead up to Mud week, your children have been busy exploring and engaging in sensory play!! We have had lots of fun learning with our senses through sand play, bags with water and small objects inside, shaving cream, finger paint, quiet nature sounds and coloured lights to watch on the ceiling and of course digging, squishing and exploring the joys of muddy play. Balance boards, obstacle courses, ladders, wooden stairs and stepping stones have enabled children to explore and extend their vestibular and motor senses.

Bronty News

We have recently made some changes in our approach to transitions and routines in the Bronty room. We are ensuring there is more flexibility for the children to make choices about where they will play (more opportunities for indoor/outdoor play) as well as how they approach routine tasks such as packing up.

This has meant that the children are enjoying making active choices to go outside and play even when it is *pouring* with rain!! The children have also requested on more than one occasion that we have a nice morning fruit or afternoon tea picnic outside too!

To ensure we can continue to follow the children's lead, please ensure your child has appropriate clothing for ALL weather, including beanies, rain coats, gumboots and lots of spare clothes!!

Thank you, from the Bronty team.

Tahnee, Coralie, Jess M, Carolyn and Kate.

Woylie News

We have recently welcomed Matilda, Lone, River and Xavier from the Cubs room and also Casey to the Woylie Room and we look forward to getting to know all our new families! If you have any questions about the Woylie Room do not hesitate to ask one of our Team members; Suzanne, Val, Angela, Lauren and KC.

Its that time of year again and the leaves are falling and the weather is getting cooler. The Woylies have been having great fun splashing in puddles in the recent rain and helping to tidy the garden by collecting leaves in wheelbarrows and buckets!

As it can be quite cold especially in the morning we would be grateful if you could pack a warm jacket and beanie for your child to wear whilst they are outside! Many thanks
